Resource Guide

French's Point is located in the heart of the mid coast region. Visitors have access to some of Maine's best restaurants, shops, galleries, & recreational activities. Explore the quintessential coastal villages of Camden, Belfast, Bucksport, Searsport, Blue Hill, Castine, & Ellsworth.

Fly into Boston, MA, Portsmouth, NH, Portland, ME or Bangor International Airport (BGR), a short 40-minute drive from French's Point. Because the area is ripe with attractions in every direction, the Mid Coast is best enjoyed by car. Bus, taxi & car services are also available in the region.
